Are you enthused by the prospect of supporting an ethos where the holistic needs of every student are prioritised and where we strive to see the good in everyone?

We are looking for enthusiastic and highly skilled applicants with QTS and experience of either special and/or mainstream settings with an excellent knowledge of all arts with the ability to deliver high calibre teaching at Key Stage 3, GCSE, BTEC and A Level.

All our students access age-expected levels of learning, studying GCSEs and often progressing to A Levels, university, and apprenticeships.

If you have a genuine love of learning and an appreciation of how a nurturing and caring environment can support all children to grow into happy, healthy, and successful individuals, you will make a great addition to our team.

- You enjoy working with a positive and established staff team
- You have a knowledge of successful strategies and/or the motivation to develop these in meeting the needs of young people with Autism

In return, we will offer you:

- An incredibly happy working environment with a staff team who are extremely supportive
- A leadership team who are hands-on and accessible every single day
- Continuous CPD and opportunities for professional and personal growth
- An exceptional ethos of care for students, staff, and families
- Pay parity offered for similar position and responsibilities
- An offer to join Teacher Pension Scheme with employers' contribution
- Complimentary refreshments throughout the day with lunch 5 days per week
- Cycle to work and Tech schemes
- 38-week term dates
