Hello everyone

I really enjoyed coming to your school recently. I met quite a lot of you, which was very helpful to me. Thank you so much to those of you that I talked to, particularly when I interrupted your meals or time to relax of an evening.

You told me that you really like your school. Lots of you told me that staff at this school understand you in a way that hasn't happened at other schools. You told me that you feel safe at school, that you like the activities that you get to do – and of course, for most of you, the food is really good – I thought it was fab.

I think your school is great and told Simon, Stu, James and Sue that I've given it

OUTSTANDING.

As you know, that's as good as it gets!

I think that the staff really care about you and want you to be happy in life, now and when you leave school. I really like the fact that the rules seem sensible and that most of you understand the need for rules, most of the time.

There's lots of additional help in school, from people like Elly and Rachel, which makes a big difference. The fact that you can call in to see them when you need to, means that the help they provide makes sense at the time.

Keep up the good work!

I wish you all the best for the rest of this school year and for your futures,

Take care

Jane
