

At Breckenbrough we provide our students with a broad range of subjects and opportunities that will broaden their horizons whilst providing the next stepping stones to University life, further education or the world of work.

Our post 16 provision has grown from strength to strength over recent years and due to the hard work of the staff as well as our aspirations, our students and their families now believe that anything is possible.

2019 saw another record breaking year for our sixth form students with our destinations data showing the success we secured for our students.

The list of universities that our students went on to study at is:

St Andrews – Maths

Salford University – Media

Darlington College – Level 3 courses

Apprenticeship through NHS
